

Item Code Producer	E1201M		
Type	Paper Cup		
Base ø size	60 mm +/-1 mm		
Height	25 mm +/- 0.5 mm		
Top ø size	82 mm +/-1 mm		
Weight	0,48 gr +/- 5%		
Perforation	Not perforation		
TECHNICAL DATA			
Composition	Slip Easy brown Paper manufactured from only virgin fiber.		
Grammage	50 gr/m2 +/-5%		
Heat resistance	220°C		
Glue	No		
Print	No		
PACKAGING			
Packaging	Boxes on pallet		
Inner box			
Pieces per nest	18		
Nests per Tube	28		
Tubes per box	2		
Pieces per box	1000		
LDPE inner bag	One per tube		
Box sizes	230 x 162 x 82h mm		
Box volume	0,003 m³		
Inner boxes in outer boxes	10		
Outer box			
Box sizes	350 x 247 x 475h mm		
Box volume	0,03 m³		
Weight of the full box	5.7 Kg		
Boxes per pallet	30		
Pieces per pallet	300.000		
Pallet composition	6 boxes x 5 layers		
Pallet size	80 x 120 x 240h cm		
Box label	Indications of item code and dimensions, production number, quantity, production date, operator.		
Store condition	Store in a cool and dry place, away from direct sun, light and heat.		
Approvals	Ecopack is in conformity with: CE 1935/2004 Regulation concerning migration, labelling and traceability of materials and articles intended to come into contact with food. CE 2023/2006 Regulation concerning the good manufacturing practice for materials and articles intended to come into contact with food. DM 21/03/1973, Chapter. IV and following updating and amendments. DPR 777/82 and following updating and amendments. BRC Global Standard for Packaging and Packaging Materials Issue 5 UNI EN ISO 9001:2015 Quality Management System Kosher Certification
